Dear Parents/Guardians,

The Seekonk Public Schools are making plans to hold an H1N1 flu clinic for school age children. The clinic will run from 4:00pm - 8:00pm in one location. The date for the clinic hasn't been determined yet. We are awaiting notification of the date that the vaccine will be shipped to our area.

The vaccine will be administered by the school nurses. Additional medical help as-well-as clerical help will be needed to conduct the clinic in an orderly, efficient manner. If you are willing to assist at the clinic please contact the school nurse at your student's school to pick up an application to work at the clinic. Applications can also be obtained at the Seekonk Board of Health office.

Completed applications along with a photocopy of your driver's license and nursing license, if applicable, need to be returned to Beth Hallal or Denise Curzake at the Board of Health office. You can also go the [www.bristol-norfolkmrc.org](http://www.bristol-norfolkmrc.org) website to apply.

We will keep you informed as further information becomes available.
