Subject: Dance Procedures for 2007

*In our continuing quest to provide a safe and orderly environment for your children while they are at school-sponsored events, the following policies will be in effect for all school dances.*

**Breathalyzer:** All students and their guests who are attending a school dance are required to take a Breathalyzer test. If the results of this test are positive, a second test will be administered using a different portable unit. If this second test is failed, a third test will be administered. If this test is positive, the student and/or guest will be:

1. Denied admission to the event.
2. Held by the school at the event until a parent or guardian picks them up.
3. Suspended from school in accordance with school policy.

**Tickets and Attendance:** A signed permission slip must be on file prior to purchasing a dance ticket and will be valid for one school year. Students must arrive no later than one half hour after the start time of the dance. Prior arrangements must be made with the principal for any exceptions to the rule. There will be no refunds given for students who arrive late and are denied admission. Students who leave the dance early will not be permitted to re-enter. If students leave more than one half hour before the scheduled conclusion of the dance, a parent/guardian will be notified.

**Decorum:** A dance is a school event and proper dress and behavior are expected at all times. All Student/Athletic Handbook rules are in effect for school dances.

*A signature below signifies understanding and willingness to comply with the above policies. Failure to complete and submit this document will result in a refusal to be admitted into this school-sponsored event. Please save these policies for future reference.*

Please tear off the form below and return it to the main office.
